

INSTRUCTIONS FOR INTERCHANGEABLE BURNER
MODEL NUMBERS
WB0201, WB0401, WB0601, WB0701,
WB0801 and WB1001

DANGER

**THIS BURNER IS USED WITH A FLAMMABLE
PRODUCT. FAILURE TO FOLLOW THESE
INSTRUCTIONS AND OR MISUSE OF THIS PRODUCT
CAN RESULT IN A FIRE OR EXPLOSION
RESULTING IN PROPERTY DAMAGE, PERSONAL
INJURY OR DEATH.**

**Read these instructions carefully and familiarize
yourself with the product before fitting burner to the
torch. Keep Out of Reach of Children. Review the torch
operating instructions periodically to maintain
awareness. Retain these instructions for future
reference. Only use this burner with interchangeable
Worthington Pro Grade™ torches.**

ASSEMBLING THE BURNER TO TORCH

1. Only connect and disconnect the torch to the disposable cylinder outdoors in a well-ventilated area.
2. Ensure that the control knob is turned off (turned fully clockwise).
3. Assembly of burner. **Except for Torch Model 3401**, the burner has a bayonet quick fitting connection (see Figure below). Push the burner into the holder and turn 90° clockwise so that the ignition electrode is pointing upwards. To remove the burner, follow the instructions in reversed order.

⚠ CAUTION The burner is hot after use.

4. Ensure that a complete gas seal has been made. Check the gas soundness of the torch outdoors. Do not check for leaks with a flame. Use soapy water only, applied to the joints and connections of the torch and cylinder. Any leakage will show up as continuous bubbles around the leakage area. If you are in doubt or if you can hear, see or smell gas, do not attempt to light the torch. Unscrew the gas cylinder and contact your local dealer.
5. If you lose or misplace the operating instructions for your Worthington Pro Grade™ torch, please visit www.WorthingtonProGrade.com for a copy.
6. If you have any difficulties in obtaining replacement disposable gas cylinders, accessories or spares, please contact us: Worthington Cylinder Corporation Columbus, OH www.WorthingtonProGrade.com or call 1-877-WPG-TORCH (1-877-974-8672)
