

**QUALITY RESALE CYLINDERS SHIPPED DIRECT FROM WORTHINGTON**

Now you can enjoy all the advantages of purchasing your industrial gas cylinders directly from Worthington, and still get just-in-time delivery for your customers. With new CylinDirect Express<sup>TM</sup>, there's no need to stock extra inventory. No need to buy foreign-made product through wholesale distributors. You'll always enjoy legendary Worthington quality, the support of the world's most experienced and knowledgeable sales group and the efficiency of dealing direct with the manufacturer on every order... without waiting!

**STRATEGIC WAREHOUSES**

With stocking warehouses in Tilbury, Ontario; Dallas, Texas; and Montclair, California, CylinDirect Express can ship industrial resale cylinders anywhere in the continental United States and Canada within 24 hours from the time it is received!

**Sizes for Every Need**

Worthington offers a complete line of the highest quality, North American-made resale cylinders in sizes HP 20 cu. ft. through HP 125 cu. ft. plus MC through AC 145 cu. ft.

**FAMOUS WORTHINGTON QUALITY, SALES AND SERVICE**

Worthington Cylinders is the world's leading global supplier of pressure cylinders, continually delivering solutions to its customers while exceeding their expectations in quality, service and value. With 35 years of experience and the industry's most complete product line, Worthington stands firmly behind every cylinder we sell. Our personal service approach guarantees your complete satisfaction.

**QUALITY RESALE CYLINDERS ARE ON THEIR WAY!**
